ADDITIONAL MEN'S HEALTH TREATMENTS

PEPTIDE THERAPY

\$399-\$699/ MONTH

At Renew Specialty Group, we offer a range of customized peptide therapies to support:

- ✓ Increased muscle mass & strength
- ✓ Enhanced fat burning & metabolism
- ✓ Improved recovery & injury healing
- ✓ Better sleep & cognitive function
- ✓ Stronger libido & sexual health

With many options available, our expert team will tailor a peptide regimen to fit your unique goals and lifestyle.

RENEW INTIMATE SHOT

\$750/ SINGLE

\$1900/ SERIES OF 3

Using platelet-rich plasma (PRP) derived from your own blood, the Intimate Shot stimulates natural tissue regeneration, improves blood flow, and promotes stronger, longer-lasting results.

- ✓ Enhanced Erections – Stronger, firmer, and longer-lasting performance
- ✓ Increased Sensation & Pleasure – Heightened sensitivity and responsiveness
- ✓ Improved Blood Flow – Supports better circulation for natural function
- ✓ Non-Surgical & Drug-Free – A natural solution with long-term benefits
- ✓ Faster Recovery – Minimal downtime, with results that keep improving

MALE ENHANCEMENT

\$199/ CONSULTATION

\$495-\$700/ PER UNIT

PhalloFILL™ is an advanced, non-surgical male enhancement treatment designed to increase girth, confidence, and satisfaction. Using a specialized, FDA-approved dermal filler, PhalloFILL™ provides natural-looking, long-lasting results with minimal downtime.

- ✓ Increased Girth
- ✓ Natural Look & Feel – Soft, symmetrical, and proportional results
- ✓ Non-Surgical & Minimally Invasive
- ✓ Customizable – Tailored to your goals, with adjustable results
